UPCOMING PLANS

- ✓ Expand Education Programs
- ✓ Conduct More Health Check-ups
- ✓ Strengthen Nutrition Initiatives
- ✓ Enhance Teacher Capacity Building

**"Small efforts create big changes.
Thank you for your continued support!"**

– Kishalay Foundation Team

Empowering Educators for Lasting Impact

As part of its commitment to improving the quality of early childhood education, educators from Kishalay EduKids Centres in Purulia and Jharkhand participated in a specialized training programme held at Nanritam on 4th and 5th June 2026.

The training focused on innovative and child-centric teaching methodologies designed to make learning more engaging, effective, and enjoyable for young children. Educators were introduced to creative classroom practices, experiential learning techniques, activity-based teaching approaches, and strategies for enhancing children's cognitive, social, and emotional development.

Stories That Spark Young Minds

Storytelling Programme Expansion Across EduKids Centres

To strengthen children's language and communication skills, Kishalay Foundation is expanding its Storytelling Programme across all 45 Kishalay EduKids Centres.

Currently, English Storytelling is being conducted in 10 centres, while Hindi Storytelling is running in 12 centres. The Foundation is working to introduce both English and Hindi storytelling programmes in the remaining 23 centres, ensuring that every child benefits from engaging and interactive language learning.

Cooking Confidence: Fun with Healthy Foods

To promote healthy eating habits and practical life skills, **Kishalay EduKids Centre, Godkhali** organized a **Non-Fire Cooking Activity** with the support of **Kishalay Organic Store**.

Children prepared nutritious snacks such as sandwiches, fruit salad, jhal muri, and chana masala using fresh ingredients without fire. The activity encouraged creativity, teamwork, nutrition awareness, and self-confidence. All participating children received prizes in recognition of their enthusiastic participation.

Planting Hope for a Greener Future

 Growing a Greener Tomorrow

On 5th June 2026, Kishalay Foundation organized a Tree Plantation Programme across its 45 EduKids Centres and 7 Hatekhori Centres to celebrate World Environment Day.

Children received fruit saplings and sweets, encouraging environmental awareness and sustainable living. The initiative aims to provide long-term nutritional benefits to children and their families through fruit-bearing trees.

Promoting Health, Nutrition & Well-being

On 12th June 2026, Kishalay Foundation organized a Nutrition & Wellness Programme at Shivganj EduKids Centre, Sundarbans.

Children participated in yoga sessions to promote physical and mental well-being and were served nutritious meals to encourage healthy eating habits. The programme aimed to support the holistic growth of children through health, nutrition, and wellness education.

Fruit Sapling Distribution Programme – World Environment Day 2026

On 5th June 2026, World Environment Day, Kishalay Foundation, in collaboration with Young Indians (Yi) Kolkata and Rotary Club Kolkata, organized a Fruit Sapling Distribution Programme at Dakshin Mokamberia Narayan Chandra School, Sundarbans.

A total of 250 fruit saplings were distributed to students of Classes III–VIII, encouraging environmental awareness and inspiring children to care for nature. The initiative also aims to provide long-term nutritional benefits through fruit-bearing trees.

Free Medical & Eye Health Camp

On 5th June 2026, Kishalay Foundation, in collaboration with Young Indians (Yi) Kolkata and Rotary Club Kolkata, organized a Free Medical & Eye Health Camp at Dakshin Mokamberia Narayan Chandra F.P. School, Sundarbans.

The camp provided free medical check-ups, eye screening, and medicines to school children and local villagers. A total of 176 beneficiaries received healthcare services through this initiative.

Cleanliness Drive Programme – Godkhali Ferry Ghat

On 5th June 2026, **World Environment Day**, Kishalay Foundation organized a Cleanliness Drive Programme at **Godkhali Ferry Ghat, Sundarbans**.

As part of the initiative, 13 biodegradable and non-biodegradable waste bins were installed to promote proper waste segregation and keep the ferryghat clean. The programme was successfully supported by Kishalay Foundation members and the local shopkeepers of Godkhali FerryGhat.

Menstrual Health Awareness & Pad Distribution

On 5th June 2026, Kishalay Foundation, in collaboration with Young Indians (Yi) Kolkata and Rotary Club Kolkata, organized a Menstrual Health Awareness & Sanitary Pad Distribution Programme at Dakshin Mokamberia Narayan Chandra School, Sundarbans.

The programme included an awareness session on menstrual hygiene, followed by the distribution of sanitary pads to 34 girl students of Classes VII & VIII and women from the local community, promoting health, hygiene, and dignity.

Supporting Learning with Nutritious Meals

On 12th June 2026, Kishalay Foundation organized a Lunch Programme at Birajnagar EduKids Centre and Amratala EduKids Centre, benefiting children with nutritious meals and learning materials.

Along with lunch, children received notebooks and colour pencils to support their education and encourage creativity.

🏆 Seven Young Champions Shine at the 21st Junior State Championship

On 25th June 2026, seven courageous and talented girls from the Kishalay Sports Academy proudly represented Kishalay Foundation at the 21st Junior State Championship held in Purba Bardhaman.

Their journey is more than just participation in a championship—it is a story of dreams, unwavering determination, countless hours of practice, and the courage to never give up.

With every step they took, these young athletes proved that when girls are given the right opportunities, guidance, and encouragement, they can achieve extraordinary heights with confidence and resilience.

🌿 Roadside Tree Plantation & Maintenance Drive

For the past several years, Kishalay Foundation has been carrying out roadside tree plantation drives in the areas adjoining the Sundarbans to promote environmental conservation and biodiversity.

With the arrival of the monsoon, our volunteers have begun regular cleaning, weeding, and maintenance of the planted saplings to ensure their healthy growth into strong trees.

Every tree nurtured today contributes to cleaner air, richer biodiversity, and a greener, more sustainable future. Through this initiative, Kishalay Foundation continues to strengthen its commitment to protecting the environment and inspiring communities to join the green movement.

🥗 Organic Nutrition Support for Mothers

As part of its commitment to maternal health and employee well-being, Kishalay Foundation distributed 100% organic nutrition food packages to employees on maternity leave.

Each package included nutritious organic products such as banana blossom, banana stem, free-range country chicken eggs, cashew nuts, raisins, dates, lentils, raw chickpeas, guava, green leafy vegetables, rice, and chickpeas. All items were sustainably grown by Kishalay Organics through community farming in Kamardanga Village, Sundarbans.

🌿 Mangrove Plantation Initiative Protecting Coastal Ecosystems Through Community Action

On 5th June 2026, Kishalay Foundation, in collaboration with Young Indians (Yi) Kolkata and Rotary Club Kolkata, organized a Mangrove Plantation Programme at Dakshin Mokamberia, Sundarbans.

Women from Kamar Danga actively participated in planting mangrove saplings along vulnerable coastal riverbanks to help prevent erosion and protect the Sundarbans' fragile ecosystem.

Highlights

- 🌿 Mangrove plantation along coastal riverbanks
- 🏠 Active participation of Kamar Danga women
- 🌊 Promoting coastal protection and environmental conservation
- 🤝 Joint initiative by Kishalay Foundation, Yi Kolkata & Rotary Club Kolkata
